

### **A5/3**

The location is Ahtari, Finland. The targeted audience are the teachers and principals of the four institutions of the FM KASZK. The duration is 6+2 days. The 10 participants will be divided into groups of 2. In a rotating system they will visit different classes every day.

The schedule is the following:

- 8.00: introduction of the school, its activity and the education system
- 9.00: consultation about teaching methods, activities in small groups
- 10.00-12.00: visiting technical classes, observing the student in process of making portfolios and the method in which the teachers evaluate it
- 13.00: 2x45 minutes for talking about portfolios and their evaluations with the teachers and students
- 15.00: the whole group gives a report about the day. They talk about their experiences to state the elements which they can use in teaching methods in Hungary.

The teachers also write a report about each day.

In the afternoons and evenings they can attend cultural programs.
